

# Ferry Crossings

The basic prices include a return Dover to Calais crossing for a car and 2 adults on a midweek high season sailing. Supplements or reductions apply to sailings at other times. Details of all other routes and supplements are set out on pages 26 to 32.

The ferry supplements indicated are correct at the time of going to press. They are subject to change and you are advised to check prices when confirming a reservation. The current closing dates of any early booking offers are indicated. Some ferry companies have informed us that fuel surcharges may be applied. In the event that they are introduced any surcharges will be advised to you at the time of booking.
